IV) FINANCIAL MATTERS:

At the time of this application form's printing, tuition is \$600 per 3-credit-hour course at the Bachelor level and \$650 at the Masters level. Grace Evangelical hopes no one will be unable for financial reasons to take advantage of the courses it offers, and we will share ideas and efforts for finding funds if needed, but the school does require tuition arrangements to be completed prior to the beginning of each semester or a payment plans can be worked out.

I can pay my tuition bill in one payment before classes begin, in monthly payments, completing my obligation before the end of the semester. I will need help finding financial aid. I am a veteran, eligible for VA/GI Bill benefits.

My spouse is enrolling at full tuition in the course I want to take; I wish to take advantage of the offer to take the course with him/her at half tuition: \$300/\$325.

If there are enough full-tuition students for the course(s) I want to take, I would like to audit them (without any graded evaluation from the professor) for \$120 each.

VI) FINALLY...

This form asks many questions. We wish to gather information about who our students are and will be, and many of the questions are not necessarily related to a student's admission to the school. Please provide us with all the answers you can, since we would like to know you as a person by the time you arrive for class, and since information about you will help us know how to approach future potential Grace Evangelical students. Do not be concerned, for example, that what church you attend or belong to would have any negative effect whatsoever on your becoming a student at Grace Evangelical. Thank you for your patience and work in filling out this form. We will be meeting you in person when classes begin or before.

My signature on this form indicates that all information I have supplied is complete, factually correct, and honestly presented.
