FINANCIAL MATTERS:

Tuition at the time of this application form's printing is \$ 500 per 3-credit-hour course. Grace Evangelical hopes no one will be unable for financial reasons to take advantage of the courses it offers, and we will share ideas and efforts for finding funds if needed, but the school does require tuition arrangements to be completed prior to the beginning of each semester. Flexible plans can be worked out, but please don't wait to the last minute; the school depends upon your planning to make our planning work!

FINALLY...

This form asks many questions. We are trying to gather information about who our students are and will be, and many of the questions are not related to the admission of a student to the program. We do ask that you provide us with all answers you can, however, since we would like to know you as a person by the time you arrive for class, and since information about you will help us know how to approach potential future Grace Evangelical students. Do not be concerned, for example, that what church you attend or belong to would have any negative effect whatsoever on your becoming a student at Grace Evangelical.

Thank you for your patience and work in filling out this form. We hope we will be meeting you in person as we open classes in the coming semester.

My signature on this form indicates that all information I have supplied is complete, factually correct, and honestly presented..
